

Equality and Diversity policy

Reading Ukrainian School is dedicated to upholding principles of equality and respect, ensuring fair treatment for all individuals, regardless of age, disability, gender reassignment, marriage or civil partnership, pregnancy or maternity, race, religion or belief, sex, or sexual orientation.

While initially established to serve children of Ukrainian heritage, our school welcomes students of the appropriate age for admission without discrimination based on sex, race, colour, national or ethnic background. The primary criterion for admission is a shared enthusiasm for learning Ukrainian language and culture heritage.

At Reading Ukrainian School, we take pride in the rich tapestry of our student body, cherishing the diversity that each individual brings to our community.

The revised Eligibility and Diversity Statement takes effect as of October 18, 2023. It has been distributed to the teaching team, shared with all parents, and posted on the school's website on the same date.
