ABOUT YOU – ПРО СЕБЕ

All prospective members of the Association of Ukrainians in Great Britain Limited are required to complete this registration form and return it to the local Branch secretary. You must have the right to reside in the UK to apply to be a member. Your details will be kept in a secure database with access restricted to authorised personnel only. Please write clearly in block capitals.

Whilst most questions on this form may be completed in English, we ask you to pay particular attention to ensure that you accurately respond to the questions on Names(s), Surname and Maiden Name (if applicable) in both Ukrainian and English. If you need assistance with the Ukrainian language, please do not hesitate to ask your local AUGB Branch chair or secretary. The reason that we are asking you for both is to ensure that the correct spelling is used in both cases. A Ukrainian surname in written English might not always be correctly interpreted into Ukrainian and vice-versa. Similarly, we ask you to ensure that your first name(s) are registered as they are recorded on your birth certificate or passport and NOT as you might be known locally by your friends (eg Anna in your passport but known locally as Hania). Please also use the native language when providing your place of birth (eg English if born in the UK, Ukrainian if born in Ukraine, etc).
